

## **Kitsap Transit Board Planning Sub-Committee Purpose Statement**

- 1) Provide overall guidance of KT long-range planning process.
- 2) Assist with KT/Kitsap Regional Coordinating Council efforts to integrate transit with land-use planning activities at the arterial level.
- 3) Provide guidance to staff, consultants and citizen committees as to focus, roles and tasks.
- 4) Develop long-term service priorities and, in the event of further economic problems, criteria for further service reductions.
- 5) Develop a communications strategy to obtain broad community understanding of KT's plans.
- 6) Align the capital plan, the long-term vision, the TDP and other overall documents to chart where KT are going.
