Dear Interested Parties,

The SEPA checklist for the Rich Passage Beach Nourishment Program released on October 18th was not accompanied by the DNS statement. We apologize for the error.

Many of you have provided us comments, but for those who didn't, I am extending the comment period to November 15th, and the appeal period to November 30th.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard M. Hayes".
